

# STREET PARADE

GIVEN EVERY MORNING

## **In addition to circus posters,**

The Ernest O. Jensen Collection includes a cornucopia of miniature circus figures, wagons, banners, and tents. The selection shown here is representative of some of the early circuses that traveled through Washington state. Elephants and acrobats were often paraded through town to entice young and old.

### **Circus Model**

about 1950

Wood, Cloth, Metal

Scale: Approximately 1/4" = 1 foot
